## AWQAF SOUTH AFRICA ENDORSEMENT OF THE OMEÉD FOUNDATION

### TO WHOM IT MAY CONCERN

السلام عليكم

*Dear Brother/Sister,*

Awqaf SA is pleased to write this letter of recommendation for the invaluable charitable work that the Omeéd Foundation does in Southern Africa, particularly in Malawi and Mozambique. Awqaf SA is a leading charitable organization that has consistently demonstrated its commitment to empowering and uplifting communities in Southern Africa through a variety of programs and initiatives.

Awqaf SA has had a long and productive working relationship with the head of Omeéd, Mr. Mohamed Siddique Parker. Over the past seven years, Mr. Parker has executed the Awqaf SA Qurbani Project in Malawi and Mozambique with great skill, deep understanding, and remarkable energy. His expertise has been critical in planning and executing different social beneficial projects, ensuring sustained success and growth of the operations, execution, and distribution to those most in need.

The Omeéd Foundation has been involved in feeding schemes, boreholes, qurbani, and other social empowerment projects. Through these initiatives, the foundation has made a significant and positive impact on the lives of people in the region. Their qurbani project, in particular, has been a resounding success, with the distribution of meat to those in need during Eid al-Adha becoming a highly anticipated event.

The Omeéd Foundation's work has not gone unnoticed. Their impact has been felt by many, and they have become a beacon of hope for those who have been most vulnerable. Awqaf SA is proud to be associated with the Omeéd Foundation, and we look forward to continuing our partnership in the future.

In conclusion, we highly recommend the Omeéd Foundation for their exceptional work in Southern Africa. Their dedication, commitment, and passion for helping those in need is inspiring, and we wish them all the success in their future endeavours.

Your brother in humanity,

Mickaeel Collier

Awqaf SA
