

BAITUL - QURAAN BLANTYRE (MALAWI)

Projects: Borehole, Orphanage, Qurbani and Madrassah

Thank you Omeed! Thank you for your genuine purpose of improving the living standards of the less privileged, by working with us to provide shelter, food, healthy conditions and education. We share your vision in instilling hope and creating sustainable opportunities to support and uplift the economically and socially deprived families in our region. May our collaborative efforts grow from strength to strength.
