TO WHOM IT MAY CONCERN

Assalamu Alaikum Wa Rahmatullahi Wa Barakatuh

It is with great pleasure that Rih La Tul Umr provides this testimonial for Omeéd.

We have had the privilege of collaborating with Omeéd on their Qurbani project for 4 consecutive years. Over this time, Omeéd has proven to be an organization of the highest integrity, professionalism, and sincerity.

What stands out most about Omeéd is their reputation for trustworthiness and excellence. They have consistently demonstrated:

- Exceptional work ethic in the execution of Qurbani, carried out in the best Islamic manner with utmost care and respect
- Reliable distribution, ensuring the meat reaches the most vulnerable and deserving communities with dignity
- Strong relationship building, rooted in transparency, clear communication, and shared values

Rih La Tul Umr is truly grateful that Omeéd supports our cause by trusting us to collaborate with them. This trust has allowed us to grow together in service and has strengthened the impact of our work.

Working with Omeéd feels less like a partnership and more like working with family. Their dedication to serving Allah's creation, especially those in need, reflects the true spirit of the work.

We wholeheartedly recommend Omeéd to any individual or organization looking for a reputable, sincere, and impactful partner. We pray Allah SWT accepts their efforts and continues to bless them in their service, Ameen.

Jazakumullahu Khayran for your continued excellence.

Wassalaam
